

A FIRST STEP FOR LISTENERS

Hope 103.2 listeners are from all walks of life. For some people; the radio station is the only connection they may have of hearing about the message of Jesus. Searching for a church can be daunting but by partnering with like-minded churches, Hope103.2 aims to help listeners make the first step of searching for a church a little easier.

YOUR CHURCH

Hope 103.2 is looking to partner with churches that are *welcoming*, *mission-minded* and *nurturing*. Like the church, we share in the same mission - to give every individual the opportunity to know God.

Welcoming - Our God is a welcoming God; His invitation of salvation is to all people. It is important that your local church is welcoming and accepting to all people in their walk of life.

Engaging in mission - Engaging churches are missional churches. As the church body, we have been given a purpose to live with God's mission on our minds. All authority in heaven and on earth has been given to the Lord Jesus, '*Go therefore and make disciples of all nations baptising them in the name of the Father and of the Son and of the Holy Spirit*' (Matthew 28:18-19).

Nurturing - Radio is a great channel to sow the seed into a listener's life; we want to partner with churches who desire to grow in the Christian life - from being passive to active. Discipleship is a lifetime of learning and growing - '*teaching them to observe all that Jesus has commanded us.*' (Matthew 28:20).

How Hope 103.2 can support your church:

- A verbal referral service for enquiries received from listeners. It is essential that your church has a website. This is the first point of online contact for our listeners and it is a great way to share the personality of your church.
- A church partner listing in the *Find a Church* section of the Hope 103.2 website.
- A free Noticeboard service on the website for church and community events, (supported by occasional on-air mentions) this is a great way to promote your church event so be sure to make use of this service.
- The opportunity for Hope 103.2 team members to share with your congregation or church group the ministry of Hope 103.2.
- Prayer support from the Hope 103.2 team.

How your church can support Hope 103.2:

- A website link from your church website to www.hope1032.com.au

- Regular promotion of Hope 103.2 events / activities through your church noticeboard and newsletters (Our quarterly Newsletters are available for distribution)
- Consideration towards the financial support to Hope 103.2. Hope 103.2 exists because of the financial support from listeners, sponsors and local churches.
- Prayer support for the ministry of Hope 103.2
