

# KIDS TO CAMP

Dear \_\_\_\_\_

The current drought has taken its toll on farmers and their families. The Hope 103.2 “Kids to Camp” campaign is a chance for the kids of these families to get away with others and take a break for a few days.

This card represents a donation on your behalf towards the campaign — sending kids from drought-affected regions in NSW to a Scripture Union camp of their choice over the summer.

*Thank you!*
